Introduction and Vision

Name, Position, Organization/Title and One Word Description
Vision
A community where the wellness needs of all individuals and families are accessible, coordinated, and efficiently fulfilled.

Mission
Simplifying the complexities of healthcare through building a network of affiliates focused on the communities they serve, fostering collaboration, and creating innovative systems change.

Where healthcare meets community.
Draft Mission Statement

To implement a family-centered integrated system of care that embraces optimal and equitable community health and wellness.
Population to be Served

- Children (birth up to age 21)
- Pregnant or postpartum individuals (including up to one year post-delivery)
- Eligible Medicaid/CHIP beneficiaries/individuals
- New Haven Residents
- Attributed population – 30k beneficiaries including 1600+ pregnant individuals
Integrated Care for Kids System of Care Framework

Goals:

1. Early identification and treatment
2. Integrated care coordination and case management
3. Development of a state payment model
The Problem We Have Always Been Trying to Solve
