Caregiver Goals

My child’s name is: ____________________________________________________________ Today’s Date: ______________

Welcome to Clifford Beers Clinic. We are looking forward to working with you and your family. We want to make sure we understand what you expect or need from us. Please take a minute to tell us about your goals for treatment.

What do you want to work on at Clifford Beers? What are your goals for treatment?

My goals for my child are: ______________________________________________________
___________________________________________________________________________
___________________________________________________________________________
___________________________________________________________________________
___________________________________________________________________________
___________________________________________________________________________

My goals for myself and my family are: __________________________________________
___________________________________________________________________________
___________________________________________________________________________
___________________________________________________________________________
___________________________________________________________________________
___________________________________________________________________________

I know we will have met our goals when (what will be better in your family’s life): ________________
___________________________________________________________________________
___________________________________________________________________________
___________________________________________________________________________
___________________________________________________________________________
___________________________________________________________________________
